Shannon McMullan's mother and two other Mississippi teachers have been selected as members of the Teach Vietnam Teachers' Network. The Vietnam Veterans Memorial Fund created this network in honor of the 20<sup>th</sup> anniversary of the Vietnam Memorial Wall. The Memorial Fund is selecting teachers from each state to serve as members of the Network.

Network teachers will serve as liaisons between the Memorial Fund, their community, and state and local school systems. They will serve as a point of contact for other teachers in their state and will answer questions from other teachers about effective teaching of the Vietnam War. Network teachers will receive training in this area at a national conference in Washington, DC, this summer.

Shannon inquired as to if you could send letters to her mom and the other two teachers congratulating them on their selection as network teachers. I have prepared the attached 3 letters for your signature. Please either sign them or mark any changes you would like made.

Thanks!
