Dear Lindsay:

Please find enclosed a few pictures from the community dinner held in Greenville during Secretary Riley's *Success Express* bus tour. I thought you might like them for your files. Thank you for the copy of the USDE's internal newsletter with Governor Musgrove on the front page. I have loved the story of Secretary Riley's impromptu stop at Roy Brook Elementary School in Benoit!

I look forward to working with you again in the future.

Sincerely,

Kelly Riley  
Policy Liaison
