Secretary of Education Richard Riley's advance person, Brendan O'Neal, called this morning. He said that as he understands it, the Governor is to give greetings at the community dinner and not at the welcome center. He said that Secretary Riley will simply get off of the bus and shake the Governor's hand at the welcome center for the media to take pictures. He said that the Governor should plan on giving 2-5 minutes of greetings and comments at the community dinner at Solomon Middle School.

I have given your name and number, as well as Marilyn's to Secretary Riley's staff in case there are any changes on Monday. Brendan O'Neal's cell phone number is 870-919-4092 and he is staying at the Fairfield Inn in Greenville (662-332-0508). Lt. John Wortham of the Greenwood Mississippi Highway Patrol Office (987-1552) is arranging for a highway patrol escort for Secretary Riley's bus, per O'Neal's request on Friday.
