SUBJECT: Delegate for National Youth Science Camp

As we discussed earlier today, I am enclosing prior correspondence and information that my office distributed regarding this year's National Youth Science Camp. Please submit the required information for one delegate ASAP. I will call the National Youth Science Camp and update them on our activities. I think it would be helpful if I could get the student's Application Cover Sheet by Monday and we will forward the rest of the information (letter, resume, transcript and letter of support) to the camp next week. You may fax the information to my attention at 601-359-3741.

Thank you for your assistance in this matter!
