

## **I CAN LEARN DEMO FOR MDE AND ITS (8/1/01)**

1. Approached by I Can Learn and met with them several times
2. provides a full-time interactive classroom, individually paced to the students. The curriculum will be aligned to that of Mississippi.
3. identified option for placing I Can Learn into 25 classrooms throughout state utilizing \$1.2 million in USDE Technology Innovation Challenge Grant funds
4. Governor Musgrove supports this program and is eager to see it implemented
5. meeting today to introduce y'all to the program and answer any questions – we have MDE and ITS so that we can discuss the curriculum aspect of the program as well as the technical specifications
6. start by introducing ourselves for I Can Learn's reference and then I'll turn it over to John Alvendia for a briefing
