Judith Griffin, President
A Better Chance
825 Seventh Avenue, 2nd Floor
New York, NY

Dear Ms. Griffin:

Dr. Michael Nettles has recently notified me that A Better Chance is implementing its *Pathways to College* initiative at five high schools in the Mississippi Delta. I am writing to express my appreciation for your organization's recognizing the potential of our young students in the Delta and dedicating your resources to these students.

I enjoyed reviewing the information regarding A Better Chance and the *Pathways to College* curriculum that Dr. Nettles forwarded to me. It is always a pleasure to see organizations such as yours that recognize the importance of an education and commit to improving the quality of life for others.

I have enclosed a business card of Kelly Riley of my staff. Please contact her if my office may ever be of assistance to your organization. Again, thank you for your commitment and for your service to the young people of the Mississippi Delta.

Very truly yours,

RONNIE MUSGROVE
