
**OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM**

TO: GOVERNOR
FROM: RILEY
SUBJECT: LUNCHEON FOR AGB HIGHER ED SUMMIT PRIVATE SECTOR REPS
DATE 8/8/01
CC: FILE

Per your's and Mr. Patterson's directions, I conveyed your ideas for a luncheon with the private sector members of the AGB Higher Ed Summit Steering Committee to discuss their opinion that the committee needs to think outside of the box more. Rich thought this was a great idea.

The calendars for both you and Mr. Patterson are quite full in September. September 24 or 25 were dates that worked for both of ya'll and I checked them with Rich. They worked for him as well. In the mean time, we scheduled the luncheon for the State Board for Community and Junior Colleges on the 25th, which left us with the 24th for this group. The mansion is available on the 24th.

We have hit a snag in that when I called Linda Waldrup in Mr. Patterson's office this afternoon to confirm the date, she said that he is now scheduled to be in New York. Since Mr. Patterson seemed hesitant to give this extra meeting to the private sector reps and since he said to work it around your schedule, I would suggest that we schedule the luncheon for the 24th and that you call Mr. Patterson to let him know that we couldn't get a date that worked for both of ya'll. Rich and other AGB staff will be here.

Please advise as to if you do want to confirm the luncheon on the 24th with Cora and Rich Novak, which means that you will call and explain to Mr. Patterson. Thanks!
