Dear Mr. Pace:

Representative Jay Eads informed me that you would like to discuss the matter of medical scholarships with Governor Musgrove. I serve as Governor Musgrove's Education Policy Liaison and would like to help you with your request.

In order to provide assistance to you in the most efficient manner, I would like to request that you and I discuss your concerns and that I offer any assistance that I can. I would also be very interested in any ideas that you have as to additional medical scholarships that we could offer or particular medical specialty areas in which we should offer scholarships. I may be reached by phone at 601-359-2528 or via email at kriley@governor.state.ms.us.

I am looking forward to working with you. Thank you in advance for your assistance.

Very truly yours,

Kelly Riley
Policy Liaison
