
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: GOVERNOR
FROM: BOYD
SUBJECT: LETTER TO VENEMAN RE: AGRICULTURE DAMAGE
DATE: NOVEMBER 19, 2001
CC: RENICK

Robert Latham passed along a suggested letter for your signature asking Secretary Veneman to direct all USDA County Emergency Boards to conduct damage assessments from the heavy rains during August and September. Latham received this letter Mr. Ricky Carnegie, Farm Services Admin., who suggested that the timing of this letter is eminent.

I have checked with Peyton, please note that you did not declare this a state disaster. Please review the draft letter, suggest changes and return.
