

Script for IHL College Fair

“We are all dedicated to providing our students with a quality education and the resources they need to prepare for their future. The 5<sup>th</sup> Annual IHL College Fair is an indispensable tool that shows our commitment to our young Mississippians who are 1/3 of our population, yet all of our future. The fair will allow students and parents the opportunity to interact with representatives from each of the state’s eight public universities. \$500 scholarships will be awarded to forty students who attend the fair so, please make plans to take advantage of the opportunity on October 21 and 22 at the Trade Mart located on the Mississippi State Fair Grounds.”
