Governor, I am following up on Stacy and Twana's request for your response to the SCLC Annual Drum Major for Justice Banquet scheduled for this Sunday, April 27, 2003. Stacy suggested that you place an ad in the program booklet. Stephanie Parker-Weaver has called me everyday to see if you will be purchasing a table and/or an ad. I have told her that we will get back with her as soon as a decision is made. Please advise as to if and what level of participation you will contribute. Thanks.
