Dear Mr. Norwood:

Allow me to offer my sincere thanks to you and all the members of the Fatherhood Committee for the wonderful gift I received.

Thank you, also, for joining me at the State Capitol to declare June Responsible Fatherhood Month. I appreciate your support and your continuing efforts to restore the institution of fatherhood. By combining our efforts, we will be able to make a difference throughout the year, not just one month. Your commitment as a responsible father, as a positive role model and as a dedicated Mississippian will ensure our success.

Thank you again for the kind gift and your efforts with the Fatherhood Program. Your desire to improve the lives of Mississippi's children is truly inspiring.

Very truly yours,

RONNIE MUSGROVE
