
INTEROFFICE MEMORANDUM

TO: GOVERNOR MUSGROVE
FROM: SHANNON AND KIM
SUBJECT: QUESTIONS FROM KIDS
DATE: 5/9/2001

On a regular basis, kids write in with the same general questions. If you could answer these questions, Kim and I would be able to include the answers in response letters. You would only have to answer these questions one time because we are saving the answers.

Favorite sport-

Do you like to swim?

Do you have to work hard?

Do you know a lot of things?

What do you do as Governor?

What is like being Governor?

Do you have to do paperwork?

How much homework do you have?

How do you keep up with all your work?

Does your wife like the mansion?

Do your kids like their new schools?

And most importantly-

How are you doing?
