Dear Mr. Hughes

Please accept my personal congratulations on receiving The Daily Points of Light Award. Your dedication and service to the children in your state and your community are to be commended.

By receiving this award, the LEAP Center has been applauded for supporting some of Mississippi's best and brightest. With the hard work and commitment of organizations, such as the LEAP Center, we will continue to make Mississippi America's State of Promise.

Please allow me this opportunity to encourage you to continue to strive towards excellence and mold the leaders of tomorrow by preparing our children for the future through knowledge and good citizenship. I join my fellow Mississippians in recognizing the many contributions of this organization. Again, congratulations to you and best wishes for continuing success.

Very truly yours,

RONNIE MUSGROVE
