Dear Megan,

Thank you for writing to share your ideas for a new state tag. We are currently in the process of creating designs for the next tag. I will be sure to present your designs to my staff and representative on the tag commission for consideration.

I have also included a picture of some of our specialty tags and colorful wildlife tags that I think are pretty. I hope you like them too. If you would like to see the tags in color, you can visit the website at:

Thank you again for sharing your ideas. If I can be of further assistance, please do not hesitate to call me.

Very truly yours,

RONNIE MUSGROVE
