Dear Mr. Hendricks,

Thank you for taking an interest in the State of Mississippi. While you are in Mississippi, please feel free to take advantage of the many wonderful experiences we offer. Dine on some fine Mississippi cuisine or take pleasure in one of our numerous cultural or entertainment events.

In your letter, you stated that you are interested in Native American Sites. Our state is rich in its heritage and will provide you with many interesting and useful facts. The Natchez Trace Parkway is a beautiful way to see Mississippi, and it also offers the opportunity to learn about the history of our great state. I have included a road map that I hope will be helpful on your journey.

I have also included a copy of the Amateur Radio Week proclamation that was done recently. Mississippi is full of Amateur Radio Clubs, including Mississippi State University, Laurel, Meridian, as well as several others. You may want to check out the following websites to see if there are any events during your trip to Mississippi.

Very truly yours,
