Education is why America is what it is today. Mississippi has come a =
very long way, so why make our children suffer more.
We need more money and not more cuts in educational funding. If you and =
the legislature would visit these schools, you would see it laid out =
before your eyes. Mississippi is going backward instead of forward. =
May God help you to make the right decisions.

Robin Whitfield, MCE Instructor, Mendenhall High =
School
