We, the rank and file ex-Inacom employees, are in need of assistance. Those of us who maintained belief in our management, and our company are enduring the dire consequences of our loyalty. Many of us live paycheck to paycheck, and this Friday, the mailbox will be empty.

As of today, instead of receiving pay for the final two weeks of work, instead of receiving 2 weeks severance, instead of receiving accrued vacation time of 80 hours, instead of receiving COBRA insurance sign up materials, (all of which is in accordance with Inacom Policies and Procedures for Terminated Employees,...I will receive nothing, and nothing will be received by the 6000 plus other ex-inacom employees.

We just don't understand how this could possible happen, and unfortunately,, we have no one to help us out. I, like many others, have had our lives turned inside out. No job, no medical benefits, no money, and no information on why.

US Bankruptcy Court - Delaware, case #00-02426 has approved an Inacom motion for an Order Authorizing Payment of PrePetition, Employee Wages, Salaries and Other Compensation, as well as Employee Medical, Dental, Similar Benefits, and Reimbursable Employee Expenses. But evidently, this approval is being challenged, ignored, or set aside. We just don't know.

There have been many claims, accusations, rumors, etc., made on the Yahoo message board, regarding alleged "improprieties" concerning Inacom management, the proposed sale of Inacom, failure of Inacom to pay Health Insurance Pemiums and taxes, and on and on. I am sure that this will all be investigated and either proved or disproved. But for now, we, the little guy in this whole mess, need some help and accurate information as to what is really being done. Please. Thank you.
