Gov,,

I told you i'd let you know when the final draft of the plan summary was
complete. It is and it's attached. The counties have all studied it and
are happy with it. Each county has sent me approval of the document.
Everyone is proud of it because it shows how inclusive we were,
particularly in light of some of the other states' plans. It is going up
on the web site today, by 5:00 or sooner, to begin the public comment
period.   (I've talked to Renick.)

I'm hoping you can certify the package formally by the first of next week
and then we'll send it on to Commerce.

If you have any questions, concerns, comments, let me know.

Thinking of you all today. Thanks.

jayne.
