Issue: North Mississippians Need Jobs Too

Street\_Address: 174 temple circle

City: Shannon

State: MS

Zip\_Code: 38868

Phone: 662 767 6870

Message: Hello Mr. Governor

I am a former dislocated worker with the allsteel plant that closed. I am know workin  
g full time after being off for 5 months. This letter is an appeal for jobs in this p  
art of the state that employ workers in the metal trades. I have been a tool and die  
maker for 17 years and there is not much opportunity i believe state wide. As you kno  
w we all share the burden of luring companies such as nissan to the state. We should  
all benefit. Yes I know about the Fabco plant locating here, and i have contacted the  
plant in tn. I was told there will be no stamping presses in the facility, that elim  
inates people with my background. So that's what i'm asking for more spinoff jobs to  
be located within this area that will be needing metal workers. Before i go i support  
you in what you have doing since in office. Keep saying your prayers and i'll pray f  
or you that you will continue to do good work for all mississippians.

Sincerely  
Glenn A. Hall
