I plan to provide continuous information for you in the new year to help you reach "hard-to-reach" businesspeople through:

Public Speaking Engagements (contact Cheryl for scheduling my presentations to your group about "Connecting")

Cruise with a "Connecting" Workshop (they'll be plenty of cruising, networking and information you can immediately apply upon return)

Discounts on my book and tapes (call directly for pricing)

Articles you can print and distribute (with my byline, please) to your friends and business associates.

Here's lots of great reading for lines at the airport and while waiting for your next appointment. Best to you and yours in 2002 ...
