Dear Ronnie Musgrove,

MyExports has just launched our newly re-designed web site. Below is a brief overview of the
site.
We invite you to take some time to visit and let us know your thoughts on how we can make
this a terrific service for U.S. exporters!

MYEXPORTS WEB SITE
The MyExports site is designed to be a tool for U.S. exporters, export service providers and
foreign buyers.  Features include news, events and resources organized by industry categories
along with the online versions of the U.S. Exporters' Yellow Pages and the U.S. Trade
Assistance Directory of export service providers.  http://www.myexports.com

U.S. EXPORTERS' YELLOW PAGES
The U.S. Exporters' Yellow Pages now features a Yahoo! style interface which organizes
companies by industry categories and subcategories. Basic listings are free to all U.S.
exporters.  Enhanced listings offer additional exposure at a nominal annual fee. The print
publication comes out in May of this year with basic listings provided in print for all U.S.
exporters who register at the web site. Bold listings and display advertising opportunities
are available to U.S. Exporters at comparatively reasonable advertising rates.

U.S. TRADE ASSISTANCE DIRECTORY
```

MyExports is pleased to announce the new stand-alone version of the U.S. Trade Assistance
Directory. The web site and publication are designed to provide U.S. Exporters with a
comprehensive guide for finding management companies, shippers, customs brokers, financiers,
translators and many other export service providers.   http://tradeassistance.myexports.com

Please direct all feedback and correspondence directly to me.

Kindest Regards,

Chris Larson
