RE: PLANETFEEDBACK REFERENCE NUMBER 1704896

Dear Ms Wyatt ,

One of the things that makes America great is the ability of citizens like me to air complaints with my government. That's the purpose of this letter, to discuss the education at Mississippi State Legislature and why I'm upset. I'm really furious about this.

To the Mississippi legislature: THANKS SO MUCH for the non-existent raise you are giving the educators of this state. I will no longer trust anyone who campaigns on the education issue. The situation of our colleges is disgusting.

The morale here at MSU is at an all time low. People are leaving our college and leaving our state! Most are talking that we are all going to become a JUNIOR college because our legislature cannot support education in Mississippi.

Wake up and realize what is going on! The state is going to LOSE. OUR CHILDREN WILL ULTIMATELY LOSE. I do not want to send my kids out of state to college, but if there are no quality teachers left here, I will gladly send them to another state that appreciates education.

In the spirit of good government and civility, I hope to receive a response from you soon.

Sincerely,  
celeste@tornmedia.com
