Message:

Dear Governor,

My name is Melissa Albert, I am a local Artist in Bath, Maine. I am contacting the Governors of the United States. I want to invite your state to participate in a mural each State will choose a Middle school to participate. Each Middle School will receive a canvas in which they then create a mural of some sort that demonstrates the theme " What Freedom means to me". Then the schools will mail the canvas back to me and they will then be displayed. This is a way in which the children who are our future can articulate their pride of our great country and be heard. I will also be asking each Governor to have their State House exhibit this wonderful mural. Please email me with the Middle school in which you have choosen and the contact person. Thank you for your time and paitence. If I am contacted after September 16th my new email will be MelissaA@suscom\_maine.net

God Bless,

Warmly,

Melissa Albert
