As you should know I am in Sydney for the 2000 Olympic games and I am disgusted that at the time when we should be emphasizing about how games bring people together, that the Australian ABC should put on such a despicable program as they did the other night on television (<http://www.abc.net.au/4corners/>), this was cheap knock at a organization that does nothing but look after the sport for the world, providing money to the under privileged to pursue something we all care about. Because of this I would like to set the record straight on a few points

I should not be condemned for my past, it is true that I belonged to Fascist party during General Franco splendid Presidency of Spain, but we both shared an ideal of health through sports, along with many other governments at the time. http://www.ajennings.8m.com/olympic_fascist.htm

Yes I gave friends of mine Gold Olympic Orders, Todor Zhivkov, President Karimov and Sabirzhan Ruziyev, all because of their tireless support of the IOC. As I said in the HBO Real Sport interview I also admired Nicolae Ceausescu, if it were not for the lies put about by others I both Senior Ceausescu and Franco Gold Orders as well.

Ray Jones only deserved a silver order and should be satisfied with that, people who complain are not true Olympians!
http://www.ajennings.8m.com/olympic_scandal.htm But on a sadder not boxing will be withdrawn from the 2004 Olympics, this is due to an unacceptable rise in corruption and fight fixing
<http://www.smh.com.au/olympics/news/20000715/A8049-2000Jul14.html>

It is not true that the FBI has a warrant out for the detainment of my friend Gafur Rakhimov, he assures me it is a mistake and that all charges have been dropped. <http://www.ajennings.8m.com/photos.htm>

It is not true that I took part in the death of the Spanish communist Salvador Puig Antich , I had no connection with him at all

This is supposed to be my last term as the President of the International Olympic Committee, There is a rumor that I will be called upon to stay after 2001. As honored as I am I should not accept it, but if the other rumor that I will be nominated for the Nobel Peace Prize is true, it would be fitting for a sitting President to receive the Prize, and I would be truly honored and will accept.

Lastly I wish to apologize to the American people about the way I behaved at the congressional meeting in December 1999, I chose to speak in Spanish (even though I am fluent in English) to deflect any criticism at the IOC because it would have deflected from an important moment in the IOC's history, I am sorry, so please keep paying the dollars

I will look forward to answering any questions these statements may have raised at the first press conference I attend during the Sydney Games

His Excellency

Juan Antonio Marques De Samaranch
