My name is Lance and I am a stay-at-home dad of three great children. =
I =
recently found a way to get out of the house, avoid dirty dishes, take =
my =
family to dinner once or twice a week -- and get paid for it! I became=
a =
Mystery Shopper.

Based upon my experience, I wrote a guide which provides detailed =
mystery shopping information. I am so confident in the quality and =
usefulness =
of my guide that I offer it to you on a try-before-you-buy basis. How i=
s =
that =
for a guarantee? With this offer you truly have nothing to lose! Send m=
e an =
e-mail at <mailto:mysteryshopping@dkat.com> and I will immediately send =
you =
a =
complete unrestricted copy of my mystery shopping guide - hands down th=
e =
best =
on the Internet. =

A mystery shopper is basically a person who is responsible for evaluati=
ng =
customer service within a variety of retail establishments. Hundreds of=
=
marketing & research companies recruit ordinary people to mystery shop.=
=
This =
helps the businesses determine how well they are serving their customer=
s =
and =
how they can improve. This is by no means a "get rich quick scheme" but=
a =
wonderful opportunity to supplement your income by several hundred doll=
ars =
a =
month AND improve your lifestyle. =

No need to place an order right now -- just e-mail me at =
<mailto:mysteryshopping@dkat.com> and I will send the information to you =
within a =
minute or two. All I ask in return is that if you are satisfied after =
inspecting =
the guide, you respond to my PayPal VISA or Master Card request for two=
=

dollars =
and fifty cents (\$2.50). If you are a low-income family or receiving pu=
blic =
assistance, you may have the information for free. Given that I only ch=
arge =
\$2.50 a guide, on a try-before-you-buy basis - I am not going to get ri=
ch, =
however I hope to use any money generated by this guide to get a new =
mini-van. =
Anyway, thanks for looking at my guide and I sincerely hope you take =
advantage =
of this great opportunity!! =

I sent this e-mail based upon a list I generated of persons (stay-at-ho=
me =
parents) I thought would be interested in information regarding mystery=
=
shopping. I did not purchase you name off a list, but researched the =
Internet =
for your e-mail address. That having been said, I apologize if the =
information =
is unwelcome. This is a one-time mailing and you are not on a commercia=
l =
list =
which you need to request to be removed from. My personal e-mail addres=
s is =
lgist2@earthlink.net should you need to contact me. Thank You.
