Issue: TOTAL injustice in New Albany Mississippi

Street_Address: 6347 Moon Rd

City: Columbus

State: GA

Zip_Code: 31909

Organization: NAACP

Position_in_Organization: supporter

Message: Dear tom please help me by getting this around the entire nation. i am a 19 yr old trying to save my 21 yr old cousin from dying. IN new albania mississippi, my cousin was accused of murder of a white man. that was a year ago. he was tried last week and they are sentencing him to death. the trial was totally fixed and unjust. his lawyers won the argument YET he was still found guilty by a jury of white people. the witnesses and the other men accused testified and said that if they didnt say that my cousin was guilty that they would not see the light of day. they dont even have any hard evidence and they are trying to kill my cousin! my cousin is innocent and deserves a fair trial. can you honestly say that that trial was not fixed?! and to top it off they are trying to execute him on may 15 (the anniversary of when the white man was murdered). May godspeed this letter to you . something has got to be done. please help me prevent an innocent young man from dying. If you cannot make something happen then who can. one way or another the nation is about to know about a serious racial injustice. it is time to get hot and do something about it.
