Leader,

Please, please, please address Minority Voting Irregularities, Fraud and Impropriety in Florida!

There has been a blatant disregard of minority voting issues. Minorities voted in record numbers but not all of their vote has been counted. Please look into the following issues:

Secretary of State Katherine Harris hired a firm to vet the rolls for felons, but that may have wrongly kept thousands, particularly blacks, from casting ballots:

How thousands of mainly black supporters of Al Gore were given ballot papers that had allegedly already been marked for rival candidates:

Black voters vent frustration: Duval County residents tell of obstacles:

26,000 Duval ballots that were rejected by punch-card readers:

Back to the civil rights barricades:

Eliminating Fraud or Democrats? Katherine Harris' office removed 173,000 names from state voter rolls this year:

<http://www.salon.com/politics/feature/2000/12/08/integrity/index.html>

Gadsen County cops discourage blacks from voting!

Why is no one addressing these issues?
