Message: To the Office of the Governor!

It is now a few "days" ago, that I have send to you my Mississippi State "Zippo" request! Intermediate, I know, that some US officials are been attacked by letters, which contained some health dangerous material! We, here in Germany and Europe are very shocked! I will take this possibility, to write to the Governor's office, to explain, that I come to your place in peace with my mail! I have been as a cook on board "Groote Beer" /Holland America Line/ in New York. Date : August, 24th. 1964. We are all listed by the US emigration authority on board the passenger liner "Statendam" /Holland America Line! There are also taken our fingerprints! At least, you will find me out, that I am a civil person! I hope, this is not to much funny for you; I just like to show you my interest in a Mississippi Zippo lighter from the Office of the Governor!!! I hope, there is no reason for me, to be fear, that this envelope with the my letter in and the 30 US\$ will end in the wastepaper basket!

Thank you again, that I have permission?, to to explain myself!

To you, the people around you in the office>> accept please my best wishes for the Christmas time and have a good and peaceful year 2002!

I am Hubertus Hamann***

Sorry, but in the field "State", is no way to write down a foreign country!
