Is your computer running a little slower than you would like?  
Does your computer lockup or reboot when you try to do stuff?  
Do your favorite games and applications take forever to load?  
Do your downloads seem to take longer than they should?  
Does your computer take all day to boot up?

If you answered yes to any of these questions then you can benefit drastically by increasing the amount of RAM in your computer.

Q. - How do I find how much memory I have?

A. - Right Click on My Computer and Select Properties. In the bottom right corner of the System Screen that appears it will tell you how much RAM you have installed.

Q. - How do I install the memory?

A. - We will send you detailed instructions and picture examples on how to install the memory. You can also call us when you receive the memory and we will walk you through the installation.

Q. - What if I am not satisfied with my purchase?

A. - All purchases come with a 100% Money Back NO QUESTIONS ASKED 30 Return Policy.

Q. - Do you sell other computer parts?

A. - Yes we sell a full line of computer parts and accessories as well has Custom-Manufactured Desktops, Laptops, and Servers. You can email us anytime at discount\_computers2000@yahoo.com and we will be happy to provide you with a quote. Please be VERY SPECIFIC in your email so that we can provide an accurate quote for your computer needs.

Q. - Do you offer discounts?

A. - Yes! If you buy 10-100 sticks they are \$89 each. If you buy 100-1000 sticks they are \$79 each. If you buy 1000+ sticks they are \$75 each.

How do I order? Simply print the form below , fill it out and fax it to us at (877) 630-0100 ext. 436 or email it to us at discount\_computers2000@yahoo.com

To fax the order pick up the handset on your fax machine and dial the toll free number listed above. When the recording starts playing simply enter the extension and wait til the next message starts and press SEND on your fax machine and hangup the handset.
