TO
HIS EXCELLENCY THE GOVERNOR
MISSISSIPPI STATE
USA

Your Excellency,

Greetings,

It is the good fortune of MISSISSIPPI state that it is being governed by an illustrious personality like you.

Aristotle said, "It is better for a country to be governed by a good man than by good laws".

I take this oppurtunity of introducing the old age system of medicine "UNANI" well known to the world as, "Greeco-Arab Medicine" which is recognised as alternative system of Medicine by World Health Organisation.

I am a practising Unani physician and I am the Managing Director of S.K's Herbal Medical Hospital and Research Centre. Under the leadership of my father Prof. Hakim syed Khalifathullah, Former Honorary Physician to the President of India and Chairman, Unani Pharamocopea Committee, Ministry of Health, Govt of India, we treat all the acute and chronic diseases through Herbal Unani system of Medicine in this Hospital. Till now we have treated more than 10,000 patients free of cost along with our regular patients and have made a break through in the treatment of Sinusitis, Arthiritis (Joint pain). Obesity, Addiction to Alcohol and Drugs, Diabetes, Hbs Ag, and carrying out research for the treatment of AIDS.

We are publishing an International Health Magazine, 'HERBAL UNANI

MED-HUM'which I am editing.

It is my pleasure to request you to kindly patronise and help in the propagation and development of Unani System of Medicine in your country.

I will be very much thankful if you could kindly give your valuable message along with your photograph to be published in the "HUM" and please do visit our web site :<http://www.herbalniamaths.com>

With kind regards,

Yours Sincerely,

(Dr.Syed M.M.Ameen)
