Message: Hello.. I am not anyone important, nor do I belong to any organization- but
I am a teacher.
I have just heard *through the grapevine* that many cuts are proposed for the National
Board Certification. I really wish that you would reconsider slicing the funding
for this program.

As I work on my National Board Certification, I am always proud to say that I come fr
om Mississippi- given that Mississippi has such a large number of certified teachers.
I am proud that Mississippi ranks high on the list of National Board Certified Teac
hers. I am also proud that our governor is on the National Board.

Like, I mentioned earlier- I am just a nobody in this big state. But I am a teacher.
I love my chosen career- but like many of my peers, I may soon have to find a new ca
reer just so that I can make ends meet. Please reconsider your education budget cuts
.

Thank you for your time.
