**GOVERNOR MUSGROVE AWARDS EMERGENCY PUBLIC FACILITIES GRANT  
TO TOWN OF ROXIE**

JACKSON, Miss. – Governor Ronnie Musgrove recently announced the latest Emergency Public Facilities Grant awarded to the Town of Roxie.

“The state of Mississippi is striving to improve the quality of life for every citizen. Through the Emergency Public Facilities Grant program, we are helping communities build their capacity for growth and prosperity into the future,” commented Governor Musgrove.

The Town of Roxie receives Emergency Public Facility funds through the Community Development Block Grant (CDBG) program in the amount of \$17,465 for public facilities improvements.

CDBG is a program of the Community Services Division of the Mississippi Development Authority. Among the division’s goals are assisting communities in analyzing their strengths and weaknesses, involving their leadership in economic development, planning development strategies, strengthening development organizations, and implementing and financing community projects. The Community Services Division also administers other Economic Development grant and loan programs.
