Governor Musgrove Announces Grant for Waterford Volunteer Fire Department

(Jackson, MS) – Governor Ronnie Musgrove announced today that Waterford Volunteer Fire Department will receive a \$51,400 grant through the Department of Homeland Security. The grant will be utilized for fire operations and firefighter safety.

“The funds will aid the Waterford firefighters in their work to protect the people and property in the area they serve,” said Musgrove. “We will continue to support our First Responders in any way that we can because they put their lives on the line everyday in order to keep us safe.”

The funds for firefighters and firefighter safety programs will be used to provide training, wellness and fitness, firefighting equipment, personal protective equipment, and modifications to fire stations and facilities.
