Governor Musgrove Announces \$117,000 Grant for Houston Community District 2 Fire Department

(Jackson, MS) – Governor Ronnie Musgrove announced today that the Houston Community District 2 Fire Department will receive a \$117,000 grant through the Department of Homeland Security. The grant will be utilized to acquire firefighting vehicles.

“The funds will assist the Prentiss County firefighters in their work to protect the people and property in the communities in which they serve,” said Musgrove. “We have worked closely with the Department of Homeland Security to secure funding for our first responders to insure they have the proper equipment needed to carry out their duties.”

The funds for the firefighting vehicles acquisition program will allow the fire departments to purchase the following vehicles: pumpers, brush trucks, tankers, rescue, ambulances, quints, aerials, foam units, and fire boats.
