Governor Musgrove Announces Grant for North Crossroads Fire Department

(Jackson, MS) – Governor Ronnie Musgrove announced today that North Crossroads Fire Department will receive a \$36,344 grant through the Department of Homeland Security. The grant will be utilized for fire operations and firefighter safety.

“The Tishomingo firefighters will use the funds in their continuing efforts to protect the people and property in the communities they serve,” said Musgrove. “We want to insure our first responders have the proper training and equipment needed to carry out their duties.”

The funds for firefighters and firefighter safety programs will be used to provide training, wellness and fitness, firefighting equipment, personal protective equipment, and modifications to fire stations and facilities.
