Governor Musgrove Awards Grant to Beauregard

(Jackson, MS) – Governor Ronnie Musgrove has awarded \$88,170 in Community Development Block Grant (CDBG) funds to Beauregard.

“The success of Mississippi’s communities is a vital component in our ultimate success as a state, and we are committed to keeping our communities strong,” said Musgrove. “By investing at the local level, we are continuing to focus on building good schools, good jobs and good communities.”

The funds are administered by the Mississippi Development Authority (MDA).

“We work closely with local and municipal officials to make the most of their communities, and this program is an excellent vehicle for accomplishing that goal,” said Steve Hale, executive director of the MDA. “The support we are able to offer to communities is extremely valuable in our overall economic development mission.”

CDBG is a program of the Community Services Division of the Mississippi Development Authority. Among the division’s goals are assisting communities in analyzing their strengths and weaknesses, involving their leadership in economic development, planning development strategies, strengthening development organizations, and implementing and financing community projects. The Community Services Division also administers other Economic Development grant and loan programs.
