## **Governor Musgrove Awards Grant to Washington County**

(Jackson, MS) – Governor Ronnie Musgrove has awarded a \$229,930 Capital Improvements Revolving Loan Program (CAP) loan awarded to Washington County. The funds will be utilized to make infrastructure improvements.

“We are working hard to help our communities improve their infrastructure and other services,” said Musgrove. “Strong communities build a strong economy and a better way of life for our citizens.”

The CAP Loan program is a part of the Community Services Division of the Mississippi Development Authority. Among the division’s goals are assisting communities in analyzing their strengths and weaknesses, involving their leadership in economic development, planning development strategies, strengthening development organizations, and implementing and financing community projects. The Community Services Division also administers other Economic Development grant and loan programs.
