**SUBJECT:** DRA STATE SHARE  
**DATE:** 5/6/2003

We have received a memo from Hayes Dent informing us that Mississippi's share of the DRA's administrative cost has come due. I have attached Dent's letter and the DRA invoice that was enclosed.

Mississippi's share of the federal funds is figured to be \$824,249.20 this year (see attached allocation sheet).

Please advise. Thank you.
