
INTEROFFICE MEMORANDUM

TO: GOVERNOR RONNIE MUSGROVE
FROM: ARMERITA TELL
SUBJECT: TYLERTOWN DRA REQUEST
DATE: 2/27/2003
CC: BILL RENICK

I received the attached memo from R.L. Condra of the DRA regarding a proposal for DRA funding of a Tylertown, MS project. Unfortunately, I have no information regarding this project beyond what is mentioned in the memo. It appears that officials in Tylertown have been communicating directly with DRA through Alan Heflin regarding the possibility of funding using Mississippi's DRA allocation.

Please let me know if you have any additional information relative to this proposal. Thank You.
