Welcome to Mississippi,

Greetings from “The Hospitality State.” It is our pleasure to have you visit our State and the City of Jackson for the American Guild of Organist Region IV Convention. While visiting, you will soon learn that Mississippians live up to our friendly reputation and friendly people are only part of what we have to offer.

While you are here you have the unique opportunity to visit an international exhibit in Jackson. The Majesty of Spain exhibition is the largest collection of Spanish royal treasures ever presented in North America, and Mississippi is proud to serve as host to this royal collection.

We appreciate your influence on impacting the cultural and educational life of your communities. The arts play a key role in our society, and we must continue their development and recognition.

The State of Mississippi is full of great sights, but even more it’s full of places to explore, history to relive and a variety of new attractions and activities to discover each day. We hope that you enjoy your visit and choose to return often.

Sincerely yours,

RONNIE MUSGROVE
