**OFFICE OF THE GOVERNOR INTEROFFICE MEMORANDUM**

---

**TO:** GARY ANDERSON  
**FROM:** LISA MADER  
**SUBJECT:** CHILDREN'S MEMORIAL FLAG  
**DATE:** 4/6/2001

---

During a press conference on April 4, 2001, proclaiming April as National Child Abuse Prevention Month, Mrs. Janice Broom Brooks presented Governor Musgrove with a Children's Memorial Flag from the Child Welfare League of America.

They have requested that all states fly this memorial flag on April 27, 2001, over their state capitol. If for some reason we are prohibited from flying the flag over our capitol, we would like to fly the flag over another prominent state building.

Thanks in advance for your help.
