### APC-S-7

#### Proposed Amendments

*Proposed amendments to revise Regulation APC-S-7 by incorporating by reference 40 CFR Part 72 and 40 CFR Part 76 that have been promulgated by the date of this regulation amendment adoption.*

The Federal permit regulations applicable to facilities affected by the requirements of Title IV of the Clean Air Act are those regulations promulgated by the U.S. Environmental Protection Agency in (or to be printed in) 40 CFR Parts 72 and 76. All such regulations duly promulgated by the U.S. Environmental Protection Agency as of September 15, 2006 are incorporated herein and adopted by reference by the Commission as official regulations of the State of Mississippi and shall hereafter be enforceable as such (the word "Administrator" in said regulations shall mean the Administrator of the United States Environmental Protection Agency and the words "permitting authority" shall mean "Mississippi Environmental Quality Permit Board").

In any case where the provisions or requirements of 40 CFR Parts 72 and 76 conflict with or are not included in "Air Emissions Operating Permit Regulations for the Purposes of Title V of the Federal Clean Air Act", APC-S-6, the provisions of 40 CFR Parts 72 and 76 shall apply and take precedence.
