Agency Authority: §51-9-127, Mississippi Code
Agency Authority and Procedures
Amending Article 6 of District Regulations

Purpose of Proposed Rule: The Flood Damage Prevention Ordinance regulates construction within certain flood prone areas. The existing ordinance was adopted in 1993. The construction standards have been amended by the National Flood Insurance Program (NFIP). The Mississippi Emergency Management Agency has advised Pearl River Valley Water Supply District that the revised standards must be implemented in order for the District to remain as a participant in the national flood insurance program. The amendment is an adoption of the 2005 NFIP model ordinance.

This rule is proposed as a Final Rule, and/or a Temporary Rule (Check one or both boxes as applicable).

Persons may present their views on the proposed rule by addressing written comments to the agency at the above address. Persons making comments should include their name and address, as well as other contact information, and if you are an agent or attorney, the name, address and telephone number of the party or parties you represent.
