

**MISSISSIPPI STATE
HISTORIC PRESERVATION CERTIFICATION APPLICATION
FEE PAYMENT FORM**

In accordance with Senate Bill 3067, Laws of Mississippi, the Mississippi Department of Archives and History (MDAH) charges a fee to process a Historic Preservation Certification Application.

Fees are charged according to a two-tiered system: a preliminary fee and a final fee. The preliminary fee, which covers review of Part 2 of the application, is \$100 for projects estimated to cost less than \$100,000 and \$250 for projects estimated to cost more than \$100,000. The final fee is assessed upon completion of the project and submittal of Part 3 of the application, Request for Certification of Completed Work. The final fee is charged based on the actual rehabilitation costs in accordance with the fee schedule listed below (the preliminary fee paid with Part 2 is deducted from the total fee owed).

The preliminary fee should be submitted with Part 2 of the application and the final fee with Part 3. Payment must be by check made payable to MDAH. MDAH cannot review your application until payment is received.
