Dear Pastor Beason:

Thank you for your letter regarding police departments cleaning up after a crime has been committed. A member of my office staff has spoken with several county and city police departments regarding this issue. Their departments have no special unit for a “clean up” crew. Each department said they clean up anything they used in the investigation, but it is the family or friends responsibility to clean up the actual scene.

I plan to work closely with the State’s Legislators during my next four years as Governor to make more positive changes for Mississippi. My goal is to make Mississippi an even better place to live, work and visit.

If I can be of further help, please let me know.

Very truly yours,

RONNIE MUSGROVE
