Dear Mr. Robertson:

Thank you for your letter regarding the National Council for the Accreditation of Teacher Education (NCATE). NCATE is an independent accrediting agency that accredits schools of education at institutions of higher learning. To my knowledge, the NCATE does not promote any particular social issues. If you are aware of any, please let me know and I will forward your concern.

If I can be of further help, please let me know.

Very truly yours,

RONNIE MUSGROVE
