Dear Mr. Autrey:

Please accept my deepest condolences for the loss of your mother. I understand your frustration in dealing with the criminal justice system. As you are aware, in Mississippi, it is the responsibility of the District Attorney for the district in which a murder was committed to prosecute the perpetrator.

In order to exhume your mother's remains and have her buried in Mississippi, you would need to contact the Department of Health to learn the appropriate procedures.

Very truly yours,
