Dear Ms. Taylor:

Thank you for your recent invitation to attend the 10th Annual Child Care Conference on August 11 and 12. I regret that I will be unable to attend the conference due to prior obligations. The conference's concurrent sessions address issues critical to child care and I am sure that the sessions will prove most beneficial to conference participants.

Again, thank you for the invitation and good luck with the conference.

Very truly yours,

Kelly Riley
