Dear Tom,

Thank you for the photo album from the 2000 National Governors' Association that was held in State College, Pennsylvania. We enjoyed visiting with you during our stay and the pictures were a pleasant surprise, full of fond memories, good times and great ideas.

By working together with the great leaders in the NGA, we will continue to make progress, as individual states and as a great nation. I look forward to seeing you and sharing ideas at this year's NGA meeting.

Thank you again for the photo album. Please don't hesitate to call if you need anything.

Very truly yours,

RONNIE MUSGROVE
